

Goals of Camp

Our goal for the Youth Camp (4th, 5th and 6th graders) is to teach you the 4 basic fundamentals of volleyball. The camp will stress the correct way to pass, set and hit as well as teach you serving techniques. The Camp will use the Volley Lite balls that are lighter and softer for the younger and beginning players. Each day you will have 3 hours of instruction, fun drills and light game situations. Bring some friends and start your volleyball career off with the most up to date techniques.

Our goal for the Junior Camp (6th, 7th and 8th graders) is to teach and reinforce the fundamentals of volleyball and get you ready for your junior high/middle school season. Each day you will have 3 hours of instruction, drills and light scrimmages that will get focused on the upcoming fall season. The camp will stress the correct way to pass, set, hit and serve as well as basic team Offense and Defense. Bring a couple of friends and come have fun playing the great game of volleyball! If you plan to try out for club ball in the fall this camp will get you started in the right direction. (Only open to 6th graders with club experience)

Oregon Junior Volleyball Academy

Founded in 2003, LVC/OJVA had 2 very successful 14u teams that have set the foundation and standards for future years. .

In 2015 OJVA had four 12u's, six 14's, five 16's and two 18's teams. OJVA players will again all be trained with the same techniques and systems so as players progress they will have continuity of their training. Teams are divided for tourney play(10 players/team), but train and are instructed as a PROGRAM. OJVA players can expect to be introduced to and master certain curriculum/skills during the year.

Just the FAQ's

After you register you will receive a confirmation of your enrollment in camp via mail or email.

About 3 weeks before camp you will receive a FAQ sheet with all of the who, what, when, where and why information. From past experiences if we mail this out earlier it will get lost over the summer.
